Dear Supervisors:

**APPROVAL OF THREE NEW DEPARTMENT OF MENTAL HEALTH

FOR FISCAL YEARS 2004-2005, 2005-2006, AND 2006-2007
AND

FOR FISCAL YEAR 2004-2005
(SUPERVISORIAL DISTRICT 1)
(4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute a new Department of Mental Health (DMH) Legal Entity (LE) Agreement (substantially similar to Attachment I) with California Family Care Medical Group, a subordinate organization of Catholic Healthcare West doing business as California Hospital and Medical Center (CHMC) for the provision of outpatient mental health services, operating on a nondiscriminatory basis but concentrating on the underserved seriously emotionally disturbed (SED) children, adolescents, and their families residing in Mental Health Service Area (MHSA) 4 communities that have primarily Latino monolingual Spanish and bilingual/English populations. The term of this new LE Agreement will be effective upon Board approval for Fiscal Year (FY) 2004-2005, with two (2) automatic one-year renewal periods for FYs 2005-2006 and 2006-2007. The Maximum Contract Amount (MCA) for CHMC for FY 2004-2005 will be \$466,300, funded by \$209,900 in Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) State General Funds (SGF), \$233,100 in Federal Financial Participation (FFP) Medi-Cal revenue, and \$23,300 in EPSDT Growth Match. The EPSDT Growth Match is fully funded with ongoing Vehicle License Fees

(VLF) realignment revenue, which is included in the FY 2004-2005 Final Adopted Budget. The annualized MCA in the amount of \$932,600 for FYs 2005-2006 and 2006-2007 will be requested during DMH's annual budget process.

2. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute a new DMH LE Agreement (substantially similar to Attachment I) with El Centro Del Pueblo, Inc., for the provision of outpatient mental health services, operating on a nondiscriminatory basis but concentrating on the underserved SED children, adolescents, and their families residing in MHSA 4 communities that have primarily Latino monolingual Spanish and bilingual/English populations. The term of this new LE Agreement will be effective upon Board approval for FY 2004-2005, with two (2) automatic one-year renewal periods for FYs 2005-2006 and 2006-2007. The MCA for El Centro Del Pueblo, Inc., for FY 2004-2005 will be \$300,000, funded by \$135,000 in EPSDT-SGF, \$150,000 in FFP Medi-Cal revenue, and \$15,000 in EPSDT Growth Match. The EPSDT Growth Match is fully funded with ongoing VLF realignment revenue, which is included in the FY 2004-2005 Final Adopted Budget. The annualized MCA in the amount of \$600,000 for FYs 2005-2006 and 2006-2007 will be requested during DMH's annual budget process.
3. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute a new DMH LE Agreement (substantially similar to Attachment I) with Pediatric and Family Medical Center dba Eisner Pediatric and Family Medical Center (EPFMC) for the provision of outpatient mental health services, operating on a nondiscriminatory basis but concentrating on the underserved SED children, adolescents, and their families residing in MHSA 4 communities that have primarily Latino monolingual Spanish and bilingual/English populations. The term of this new LE Agreement will be effective upon Board approval for FY 2004-2005, with two (2) automatic one-year renewal periods for FYs 2005-2006 and 2006-2007. The MCA for EPFMC for FY 2004-2005 will be \$300,000, funded by \$135,000 in EPSDT-SGF, \$150,000 in FFP Medi-Cal revenue, and \$15,000 in EPSDT Growth Match. The EPSDT Growth Match is fully funded with ongoing VLF realignment revenue, which is included in the FY 2004-2005 Final Adopted Budget. The annualized MCA in the amount of \$600,000 for FYs 2005-2006 and 2006-2007 will be requested during DMH's annual budget process.
4. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute Amendments to these three (3) new DMH LE Agreements provided that: 1) the County's total payments to contractor under each Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable MCA; 2) any such increase shall be used to provide additional

services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designees is obtained prior to any such Amendment; 5) the parties may, by written amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

5. Approve the Request for Appropriation Adjustment (Attachment II) in the amount of \$1,013,000 fully funded by \$533,000 in FFP Medi-Cal revenue and \$480,000 in EPSDT-SGF. The increase in appropriation will permit DMH to fund three (3) new mental health services contract providers.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is required to enter into three (3) new sole source LE Agreements with CHMC, El Centro Del Pueblo, Inc., and EPFMC for the provision of mental health, targeted case management and medication support services to SED children, adolescents, and their families residing in MHSA 4, Supervisorial District 1 communities that have primarily Latino monolingual Spanish and bilingual/English populations. CHMC and EPFMC currently provide services that address physical health needs of the community and now will integrate health and mental health programs for Latino children, adolescents, families, and other underserved populations. El Centro Del Pueblo, Inc., is an established community-based organization that has long provided services to residents of MHSA 4. DMH submitted an Advance Notification of Intent to enter into a Sole Source Contract to your Board on September 20, 2004.

The three (3) new LE Agreements will enable the prospective providers to enter into required Department of Mental Health contracts to become Short-Doyle/Medi-Cal (SD/MC) certified. Further, SD/MC certification will allow these three (3) new contractors to provide SD/MC reimbursable services, as defined in the Agreements, and to establish access to the EPSDT program revenues to cover the cost of services. The EPSDT program provides medically necessary services to Medi-Cal eligible beneficiaries under 21 years of age to correct or ameliorate a physical or mental disability, even if the service is not included in the State's Medicaid Plan.

These prospective service providers have been selected based on their capability to provide early intervention and bilingual, bicultural mental health treatment services to an underserved Hispanic/Latino community in MHSA 4.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan Programmatic Goal No. 5, "Children and Families' Well-Being" - Improve the well-being of children and families in Los Angeles County through good health, economic well-being, safety and survival, social and emotional well-being, and educational/workforce readiness. Further, the recommended actions for CHMC and EPFMC are consistent with the Countywide Strategic Plan Programmatic Goal No. 7, "Health and Mental Health."

FISCAL IMPACT/FINANCING

There is no increase in net County cost. The appropriation adjustment will increase Services and Supplies in the amount of \$1,013,000, fully funded by \$479,900 in EPSDT-SGF and \$533,100 in FFP Medi-Cal revenue. The EPSDT Growth Match, \$53,300, is fully funded with ongoing VLF realignment revenue, which is included in DMH's FY 2004-2005 Final Adopted Budget.

CHMC

The MCA of \$466,300 consists of \$209,900 in EPSDT-SGF, \$233,100 in FFP Medi-Cal revenue, and \$23,300 in EPSDT CGF Growth Match. The EPSDT Growth Match is included in DMH's FY 2004-2005 Final Adopted Budget. The annualized MCA in the amount of \$932,600 for FYs 2005-2006 and 2006-2007 will be requested during DMH's annual budget process.

El Centro Del Pueblo, Inc.

The MCA of \$300,000 consists of \$135,000 in EPSDT-SGF, \$150,000 in FFP Medi-Cal revenue, and \$15,000 in EPSDT CGF Growth Match. The EPSDT Growth Match is included in DMH's FY 2004-2005 Final Adopted Budget. The annualized MCA in the amount of \$600,000 for FYs 2005-2006 and 2006-2007 will be requested during DMH's annual budget process.

EPFMC

The MCA of \$300,000 consists of \$135,000 in EPSDT-SGF, \$150,000 in FFP Medi-Cal revenue, and \$15,000 in EPSDT CGF Growth Match. The EPSDT Growth Match is included in DMH's FY 2004-2005 Final Adopted Budget. The annualized MCA in the amount of \$600,000 for FYs 2005-2006 and 2006-2007 will be requested during DMH's annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In order to provide EPSDT mandated services more effectively in MHSA 4, the Department of Mental Health has selected CHMC, El Centro Del Pueblo, Inc., and EPFMC, which are grass roots, community based centers that have the approval of the communities they serve. Demographics evidence shows that Latinos comprise nearly half (44 percent) of the population in Los Angeles County. However, the penetration rate of Medi-Cal eligible Latinos into the existing system of care is only 2.5 percent, the lowest for all ethnic groups. Since Latinos are more likely to access mental health services from grass roots, community based centers, DMH has recruited these providers, whose goals are consistent with the Countywide Strategic Plan Goal 5, "Children and Families' Well-Being." Further, all three (3) mental health service providers have established relationships within the communities they serve by being responsive to client and family needs. These agencies propose to improve the quality of life for diverse children, adolescents, and families in their target communities. Lastly, CHMC and EPFMC's provision of coordinated health and mental health programs are consistent with the Countywide Strategic Plan Goal 7, "Health and Mental Health," thus ensuring a client-centered, information-based health and mental health service delivery system that provides cost-effective and quality services.

CHMC is located at 1401 South Grand Avenue, Los Angeles, California 90015, in Supervisorial District 1, MHSA 4. It has served the needs of downtown Los Angeles since 1887. CHMC is committed to the provision of quality healthcare for the multi-ethnic communities it serves by providing specialized services, health screening, and education that reflects the unique needs of those ethnic communities. CHMC will provide bilingual, bicultural outpatient mental health services in Spanish and English to residents of the downtown community. Services will include individual and family psychotherapy, psychological assessment, case management, and school-based mental health interventions. Clients will be offered strong linkages to CHMC programs and community resources such as the Hope Street Family Center, the Child Development Center, Department of Children and Family Services, the Pico Union Family Preservation Program, and other programs that further increase DMH's collaborative relationships and provide community integrated services.

El Centro Del Pueblo, Inc., is located at 1157 Lemoyne Street, Los Angeles, California 90026, in Supervisorial District 1, MHSA 4. In an effort to address social/ethnic disparities and increase access to mental health services for Latinos in Los Angeles County, El Centro Del Pueblo, Inc.'s mental health programs serve Latino youth in MHSA 4. El Centro Del Pueblo, Inc.'s goal is the provision of mental health, targeted case management and medication support services to SED children, adolescents, and families, and to enhance client and family linkages to existing community resources

promoting good health and adaptive family living. The agency is committed to the provision of bilingual, bicultural comprehensive services, which include early intervention and developmental assessment, individual and family therapy, and targeted case management and medication support services that assist Latino youth access needed medical, educational, social, prevocational, rehabilitation, or other community services.

EPFMC is located at 1530 South Olive Street, Los Angeles, California 90015, in Supervisorial District 1, MHSA 4. Founded in 1972, EPFMC is a private, nonprofit health center dedicated to providing high quality comprehensive medical, dental, and mental health care to residents on the southern-most edge of downtown Los Angeles in MHSA 4. EPFMC serves the Downtown Corridor, parts of Central and South Central Los Angeles, Skid Row, and a portion of Pico Union. The focus of the Center is to improve the lives of families and children through the provision of bilingual, bicultural comprehensive services that offer clients the tools to lead productive, independent lives that will enhance the entire community. The components of EPFMC's mental health program will include prevention services, including education and counseling related to healthy development; targeted case management and medication support services to SED children, adolescents, and their families; psychological testing; adolescent program development including, violence prevention; school based services with developmental assessments; individual therapeutic counseling; family counseling; and grief management.

Each of these agencies provide a unique and valuable service that addresses unmet mental health needs of SED children, adolescents, and their families and will be an asset to the mental health service delivery network in MHSA 4 and their respective geographic areas.

DMH's clinical and administrative staff, stationed both in the service areas and centrally, are assigned to administer and supervise agreements, evaluate programs to ensure that quality services are being provided to clients, and substantiate through various means, including units of service entered into the Integrated System and concomitant clinical recordkeeping, that Agreement provisions and departmental policies are being followed.

The DMH LE Agreement format has been approved as to form by County Counsel. The Chief Administrative Office and DMH's Fiscal and Program Administrations have reviewed the proposed action.

The Los Angeles County Community Business Enterprise (LAC/CBE) Program, Firm/Organization Information form is Attachment III.

CONTRACTING PROCESS

These are sole source contracts. A primary area of concern for LAC-DMH is the lack of available services to underserved populations, primarily Latino monolingual Spanish and bilingual/English, in Supervisorial District 1. DMH has also been unsuccessful in eliciting additional services from existing EPSDT community-based providers to address the special needs of high-risk children and youth in this community. These three (3) agencies have established relationships with the community in this District and have stated in their submittal that they will provide culturally and linguistically relevant services, which include mental health, targeted case management and medication support services to SED children, adolescents, and their families residing primarily in Supervisorial District 1. Further, the prospective service providers are recognized and accepted in the community; they reflect the ethnic and language needs of the community and are approved by the community-at-large. Lastly, the prospective service providers have the essential resources to provide a full array of mental health services to the underserved EPSDT-eligible population.

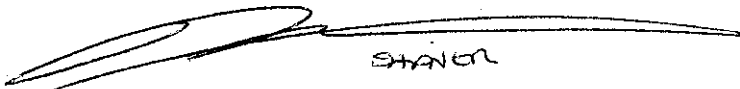

IMPACT ON CURRENT SERVICES

With Board approval, DMH will continue to implement an integrated and comprehensive system of care and augment current levels of mental health services in critically needed areas throughout Los Angeles County. CHMC, EPFMC, and El Centro Del Pueblo, Inc.'s provision of mental health services is comprehensive, bilingual, bicultural, and culturally relevant and address the unmet mental health needs of SED children, adolescents, and their families. The agencies will be an asset to the mental health service delivery network in MHSA 4.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

3 NOW, THEREFORE, Contractor and County agree as follows:

4 **PREAMBLE**

5 For nearly a decade, the County has collaborated with its community partners to enhance
6 the capacity of the health and human services system to improve the lives of children and families.

7 These efforts require, as a fundamental expectation, that the County's contracting partners share
8 the County and community's commitment to provide health and human services that support
9 achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is
10 the integration of service delivery systems and the adoption of the Customer Service and
11 Satisfaction Standards.

12 The County of Los Angeles' Vision is to improve the quality of life in the County by providing
13 responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and
14 prosperity of individuals, families, business and communities. This philosophy of teamwork and
15 collaboration is anchored in the shared values of:

- 16
- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |
- 17

18 These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service
19 Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5)
20 Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8)
21 Public Safety. Improving the well-being of children and families requires coordination, collaboration,
22 and integration of services across functional and jurisdictional boundaries, by and between County
23 departments/agencies, and community and contracting partners.

24 The basic conditions that represent the well-being we seek for all children and families in
25 Los Angeles County are delineated in the following five outcomes, adopted by the Board of
26 Supervisors in January 1993.

- 27
- Good Health;
 - 28 • Economic Well-Being;
 - 29 • Safety and Survival;
 - 30 • Emotional and Social Well-Being; and
 - 31 • Education and Workforce Readiness.

32 Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-
33 being for children and families, consensus has emerged among County and community leaders that
34 making substantial improvements in integrating the County's health and human services system is
35 necessary to significantly move toward achieving these outcomes. The County has also
36 established the following values and goals for guiding this effort to integrate the health and human

1 services delivery system:

- 2 ✓ Families are treated with respect in every encounter they have with the health,
3 educational, and social services systems.
- 4 ✓ Families can easily access a broad range of services to address their needs, build on
5 their strengths, and achieve their goals.
- 6 ✓ There is no "wrong door": wherever a family enters the system is the right place.
- 7 ✓ Families receive services tailored to their unique situations and needs.
- 8 ✓ Service providers and advocates involve families in the process of determining service
9 plans, and proactively provide families with coordinated and comprehensive information,
10 services, and resources.
- 11 ✓ The County service system is flexible, able to respond to service demands for both the
12 Countywide population and specific population groups.
- 13 ✓ The County service system acts to strengthen communities, recognizing that just as
14 individuals live in families, families live in communities.
- 15 ✓ In supporting families and communities, County agencies work seamlessly with public
16 and private service providers, community-based organizations, and other community
17 partners.
- 18 ✓ County agencies and their partners work together seamlessly to demonstrate substantial
19 progress towards making the system more strength-based, family-focused, culturally-
20 competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and
21 accountable.
- 22 ✓ County agencies and their partners focus on administrative and operational
23 enhancements to optimize the sharing of information, resources, and best practices
24 while also protecting the privacy rights of families.
- 25 ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single
26 service plan, staff development opportunities, infrastructure enhancements, customer
27 service and satisfaction evaluation, and revenue maximization.

32 Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, in order to achieve
33 the maximum Federal reimbursement possible for mental health services and administrative activities
34 provided under this Agreement.

35 H. Government Funding Restrictions: This Agreement shall be subject to any restrictions,
36 limitations, or conditions imposed by State, including, but not limited to, those contained in State's

Budget Act, which may in any way affect the provisions or funding of this Agreement. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

I. Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest:

(1) Contractor shall comply with all County, State, and Federal requirements and procedures, as described in WIC Sections 5709, 5710 and 5721, relating to: (1) the determination and collection of patient/client fees for services hereunder based on UMDAP and DMH's Revenue Manual, (2) the eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Contractor shall vigorously pursue and report collection of all patient/client and other revenue.

(2) All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by Contractor only for the delivery of mental health service units specified in this Agreement.

(3) If Contractor provides Title XIX Medi-Cal Administrative Activities funded by Title XIX pursuant to WIC Section 14132.44 as described in Paragraph 3 (DESCRIPTION OF SERVICES), or then Contractor shall assure that FFP reimbursement for such Title XIX Medi-Cal Administrative Activities and shall be utilized by Contractor only for the provision of Title XIX Medi-Cal Administrative Activities.

(4) Contractor may retain unanticipated revenue, which is not shown in Contractor's Negotiation Package for this Agreement, for a maximum period of one Fiscal Year, provided that the unanticipated revenue is utilized for the delivery of mental health service units specified in this Agreement. Contractor shall report the mental health services funded by this unanticipated revenue in the Annual Cost Report submitted by Contractor to County. The Annual Cost Report shall be prepared as instructed by State and County.

(5) Contractor shall not retain any fees paid by any resources for or on behalf of Medi-Cal beneficiaries without having those fees deducted from the cost of providing the mental health service/units specified in this Agreement.

(6) Contractor may retain any interest and/or return which may be received, earned or collected from any funds paid by County to Contractor, provided that Contractor shall utilize all such interest and return only for the delivery of mental health service units specified in this Agreement.

(7) Failure of Contractor to report in all its monthly claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services and/or activities hereunder, all unanticipated revenue not shown in Contractor's Negotiation Package for this Agreement, and all interest and return on funds paid by

County to Contractor, shall result in: (1) Contractor's submission of a revised claim statement showing all such nonreported revenue, (2) a report by County to SDMH of all such nonreported revenue, (3) a report by County to the Federal Health Care Financing Administration (HCFA) should any such unreported revenue be paid by any resources for or on behalf of Medi-Cal beneficiaries, and/or (4) any appropriate financial adjustment to Contractor's reimbursement.

J. Payment:

(1) For each month of the term of this Agreement, Contractor shall submit to County a claim for each applicable row (payer funding source) identified on the Financial Summary and Rate Schedule, in the form and content specified by County. Each monthly claim shall be submitted within 60 days of Contractor's receipt of County's IS reports for the last date mental health services were provided during the particular month and within 60 days of the last date Title XIX Medi-Cal Administrative Activities were provided during the particular month.

(a) Cost Reimbursement: Contractor's monthly claim to County shall show all Contractor's actual and allowable costs and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder for the particular month. The County may make provisional reimbursement, subject to final settlement to cost. All provisional reimbursement shall be based upon specialty mental health services actually provided as shown on County's Claims Systems reports. Contractor certifies that all units of service claimed by Contractor on a provisional reimbursement basis are true and accurate claims for reimbursement.

(b) For IMDs Only: Those Institutions for Mental Disease which are licensed as Skilled Nursing Facilities (SNF) by SDHS are, thereby, entitled by law to the rates established by SDHS for Skilled Nursing Facilities. The IMD rate consists of a basic SNF rate and a STP rate, or a MHRC rate. Contractor's monthly claim to County shall be for those patient days that have been approved in writing by the County and shall be separately itemized by each patient day. Claims shall be submitted to County within 30 days of the end of the billing period. Monthly claims shall be reviewed and approved by County.

(c) Negotiated Rate: Contractor's monthly claim to County shall be separately itemized by each SFC to show the payment calculation for each SFC by multiplying the SFC units as shown on IS reports by the applicable NR for such SFC as shown on the Financial Summary, except that for PATH and SAMHSA services, Contractor's monthly claim shall show Contractor's actual and allowable costs, less all fees paid by or on behalf of patients/clients receiving services hereunder and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder.

i. DMH shall have the option to deny payment for services when documentation of clinical work does not meet minimum State and County standards.

ii. Final reimbursement to Contractor shall not exceed the listed

1 rates as shown on the Financial Summary. Provisional reimbursement to contractor shall be at the State
2 established Title XXII rates for CPT codes. At cost report, provisional reimbursement will be adjusted to
3 State approved Negotiated Rates not to exceed the rates shown on the Financial Summary and shall be
4 considered payment in full, subject to third party liability and beneficiary share of cost, for the specialty
5 mental health services provided to a beneficiary. Reimbursement shall be made only for State approved
6 Short-Doyle/Medi-Cal claims and to the extent that funds allocated by State for County specifically for
7 these services are available.

8 iii. For Organizational Providers Only. Provisional reimbursement
9 shall be based on the rates shown on the Provisional Rate Schedule(s) as published and periodically
10 revised as supplements to the Los Angeles County DMH Fee-For-Service Medi-Cal Specialty Mental
11 Health Services Provider Manual by the DMH, Office of Managed Care and distributed to DMH
12 Organizational Providers and to the Los Angeles County DMH Contracts Development and
13 Administration Division.

14 Further, Contractor agrees to hold harmless both the State and beneficiary in the event
15 County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

16 (2) On the basis of this monthly claim and after Director's review and approval of
17 the monthly claim, Contractor shall receive from County payment of Contractor's claimed amount for
18 NR services, and actual and allowable costs for all cost reimbursed services and activities, less all
19 revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor
20 hereunder, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other
21 revenue, interest and return as described in Subsection 7 of Subparagraph I (Patient/Client Eligibility,
22 UMDAP Fees, Third Party Revenue, and Interest).

23 The monthly claim and subsequent payment shall be made in accordance with County
24 policies and procedures. If a claim is not submitted as required by County, then payment shall be
25 withheld until County is in receipt of a complete and correct claim and such claim has been reviewed
26 and approved by Director.

27 If Contractor has received any Cash Flow Advance pursuant to Subparagraph K (Cash
28 Flow Advances In Expectation of Services/Activities To Be Rendered), then Director may, in his
29 discretion, at any time, make adjustments to any of Contractor's monthly claims as necessary to ensure
30 that Contractor shall not be paid by County a sum in excess of the amount determined by multiplying
31 the SFC units as shown on IS reports by the applicable NR for such SFC as shown on the Financial
32 Summary for NR services and/or Contractor's actual and allowable costs of providing mental health
33 services and Title XIX Medi-Cal Administrative Activities, or the Maximum Contract Amount for such
34 Fiscal Year as shown in Subparagraphs B (Reimbursement for Initial Period) or C (Reimbursement If
35 Agreement Is Automatically Renewed), whichever is less, less all revenue, interest and return resulting
36 from services/activities and/or funds paid by County to Contractor hereunder. Contractor may request

1 in writing, and shall receive if requested, DMH's computations for determining any adjustment to
2 Contractor's monthly claim.

3 (3) All monthly claims shall be subject to adjustment based upon the IS reports,
4 EOB data, and/or Contractor's Annual Cost Report which shall supersede and take precedence over all
5 claims.

6 (4) All monthly claims shall be based on mental health services actually provided as
7 shown on IS reports and/or Title XIX Medi-Cal Administrative Activities actually provided as shown by
8 State-approved time studies prepared or actual and allowable costs for State approved units of activities
9 reported by Contractor. Contractor certifies that all units of services reported by Contractor into IS are
10 true and accurate claims for reimbursement.

11 (5) EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal FFP funds
12 shall be paid by County to Contractor only for State approved claims for EPSDT Title XIX Medi-Cal
13 and/or Title XIX Short-Doyle/Medi-Cal SFC units provided to eligible Medi-Cal beneficiaries. EPSDT Title
14 XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal FFP funds shall be paid by County to Contractor
15 only in arrears, only for the period of time Contractor is certified as a Title XIX Short-Doyle/Medi-Cal
16 provider, only to the extent that eligible FFP matching funds are available under this Agreement, and
17 only after County has received EPSDT and FFP payment from State.

18 (6) Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to
19 Contractor only for State approved claims for Title XIX Medi-Cal Administrative Activities based on time
20 studies prepared or actual and allowable costs for units of activities reported by Contractor. Title XIX
21 Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only in arrears and
22 only if Contractor is authorized as a Title XIX Medi-Cal Administrative Activities provider, only to the
23 extent that eligible FFP matching funds are available under this Agreement, and only after County has
24 received FFP payment from State.

25 (7) EPSDT and FFP funds shall be paid by County to Contractor solely in County's
26 capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX
27 Short-Doyle/Medi-Cal services, and Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the
28 term of this Agreement, County shall pay to Contractor FFP funds only to the extent that the applicable
29 Maximum Contract Amount has eligible State and/or local funds which qualify as the match to FFP, as
30 required by Federal and/or State laws, regulations, manuals, guidelines, and directives.

31 (8) EPSDT Title XIX Medi-Cal services funds, Title XIX Short-Doyle/Medi-Cal
32 services FFP funds, Title XIX Medi-Cal Administrative Activities FFP funds, shall be paid by County to
33 Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services,
34 Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities. Each Fiscal Year
35 of the term of this Agreement, County shall pay to Contractor EPSDT Title XIX Medi-Cal services,
36 and/or Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities funds

1 only to the extent required by Federal laws, regulations, manuals, guidelines, and directives.

2 (9) Notwithstanding any other provision of this Agreement, in the event that
3 Contractor provides EPSDT Title XIX Medi-Cal services pursuant to the EPSDT provisions of this
4 Agreement in excess of Contractor's EPSDT baseline as identified in Paragraph 4 (FINANCIAL
5 PROVISIONS), Subparagraph A (3) (EPSDT) as calculated with SDMH service approval data, and County
6 does not meet the Fiscal Year 1994-95 base as adjusted by the State, Contractor shall be paid by
7 County from a CGF risk reserve pool established for this purpose. The CGF risk reserve pool funds shall
8 be maintained in accordance with County policies and procedures and shall be for the SDMH general
9 fund portion of the individual Contractor's EPSDT approved services.

10 (10) County pays any EPSDT-SGF (Early and Periodic Screening, Diagnosis, and
11 Treatment-State General Funds) local matching funds in excess of the EPSDT baseline as identified in
12 Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) and Medi-Cal Federal Financial
13 Participation Funds (FFP) to Contractor solely in County's capacity as the EPSDT-SGF and FFP
14 intermediary between the Contractor and the State. Solely to assist the County in expeditiously
15 processing and initially paying Contractor (because of the internal accounting necessity for
16 appropriation authority) for such claims for payment pending reimbursement from the State, the
17 Maximum Contract Amount(s) of this Agreement shall include EPSDT-SGF and/or FFP. This will
18 establish legal authorization by the Board of Supervisors to make expenditures for the services and/or
19 activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending
20 reimbursement by the State. To the extent Contractor exceeds the EPSDT-SGF and/or FFP amount(s)
21 included in this Agreement, such excess will be paid to Contractor only upon Contract Amendment
22 approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's
23 specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

24 Contractor understands and agrees that County's assistance in processing
25 and, as an intermediary for the State and Federal governments, initially paying for EPSDT-SGF and
26 FFP in accordance with the above is subject to reimbursement from the State and does not render
27 County in any way responsible for the substantive obligation to be ultimately fiscally responsible for
28 payment for Contractor's claims for payment for these services. Contractor's entitlement to payment
29 for such services, or claimed services, is entirely dependent upon compliance with the law and
30 regulations related to same. In the event of a dispute regarding entitlement for payment, Contractor
31 agrees that County is not liable for payment for such claims and will not pursue any such claims for
32 payment against County.

33 (11) No Payment for Services Provided Following Expiration/Termination of
34 Contract: Contractor shall have no claim against County for payment of any money or
35 reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or
36 other termination of this Contract. Should Contractor receive any such payment, it shall immediately

1 notify County and shall immediately repay all such funds to County. Payment by County for services
2 rendered after expiration/termination of this Contract shall not constitute a waiver of County's right
3 to recover such payment from Contractor. This provision shall survive the expiration or other
4 termination of this Contract.

5 K. Cash Flow Advance In Expectation Of Services/Activities To Be Rendered:

6 For each month of each fiscal year, County will reimburse Contractor based upon the County
7 and/or State and/or Federal government(s) processing of the reimbursement claims for rendered
8 services/activities submitted by Contractor to the County subject to claim edits, and future settlements
9 and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5)
10 consecutive months, or portion thereof, as described below, and for such month the County and/or
11 State and/or Federal government(s) have not made payment, and/or such payment is less than 1/12th of
12 the Maximum Contract Amount, Contractor may request in writing from County a monthly County
13 General Fund Cash Flow Advance as herein described.

14 Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract
15 Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which
16 the costs are to be incurred and upon which the request(s) is (are) based.

17 Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's
18 rendering and billing of eligible services/activities, as identified by Paragraph 3 (DESCRIPTION OF
19 SERVICES/ACTIVITIES) of this Agreement, to the County and/or State and/or Federal government(s),
20 and the County and/or State and/or Federal government(s) have made payment for such
21 services/activities. Contractor may request each monthly Cash Flow Advance only for such
22 services/activities and only when there is no reimbursement from other public or private sources for
23 such services/activities.

24 No Cash Flow Advance will be given if a Contractor has not been certified as an eligible Medi-
25 Cal service provider.

26 The Cash Flow Advance amount for any particular month will be reduced by County payments
27 of actual reimbursement claims received by County from the Contractor. The County's claims payment
28 process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such
29 Contractor reimbursement claim is received at any time during either the initial three (3) or two (2)
30 additional consecutive months, the monthly payment to Contractor will include the payment for such
31 actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that
32 particular month.

33 Cash Flow Advance is based upon the following:

34 (1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion
35 thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing
36 from County a monthly County General Fund Cash Flow Advance for any funds which may be part of

1 the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page.
2 Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed
3 \$_____ per month and the total Cash Flow Advance for the three (3) months shall not exceed
4 \$_____. The Cash Flow Advance monthly amount is 1/12th of Maximum Contract Amount as
5 identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

6 (2) A Contractor providing EPSDT Short-Doyle Medi-Cal services as part of this Agreement,
7 may for two (2) additional consecutive months, or portion thereof, that this Agreement is in effect,
8 request, separately for each month, in writing from County a monthly County General Fund Cash Flow
9 Advance for any FFP and/or EPSDT-SGF funds designated for clients less than 21 years of age which
10 may be part of the Maximum Contract Amount for such fiscal year as shown on the Financial Summary
11 Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to
12 exceed \$_____ per month for each of the two (2) additional consecutive months and the total
13 Cash Flow Advance for the two (2) additional consecutive months shall not exceed \$_____.
14 The Cash Flow Advance monthly amount for each of the two (2) consecutive months is:

15 (1) 1/12th of the Maximum Contract Amount for EPSDT-SGF as identified on the Financial
16 Summary Page, annualized Maximum Contract Amount if a partial year plus;

17 (2) An amount equal to the 1/12th of the Maximum Contract Amount for EPSDT-SGF that is
18 the Cash Flow Advance component for the anticipated FFP financial participation to be provided by the
19 Federal government for services provided to EPSDT Medi-Cal beneficiaries.

20 Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve
21 the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part.
22 The time schedules and examples for County claims payment, and the three (3) and five (5) months
23 Cash Flow Advance disbursement(s) and Contractor repayment of Cash Flow Advance funds to County
24 by means of a County offset to Contractor claims to County are incorporated herein as Attachment V.

25 County identifies if Contractor's units of service and State FFP & EPSDT-SGF approvals are
26 meeting or exceeding the contracted levels and if not Cash Flow Advance recovery is initiated to
27 ensure Contractor completes repayment of the Cash Flow Advance with units of services by the time
28 the Contractor's fiscal year's twelfth month of claims are received and processed.

29 Any County and/or State and/or Federal government(s) approved Contractor reimbursement
30 claims for eligible services/activities in excess of the actual unpaid Cash Flow Advance County to
31 Contractor will be disbursed in accordance with the terms and conditions of this Agreement.

32 Should Contractor request and receive Cash Flow Advance, Contractor shall exercise cash
33 management of such Cash Flow Advance in a prudent manner.

34 For IMD, PHE and Mental Health Rehabilitation Center Contractors Only: The amount of a Cash
35 Flow Advance payment shall be based on 95 percent (95%) of the average daily census for the last two
36 months of the preceding fiscal year.

1 L. Maximum Monthly Payment: County's Maximum Monthly Payment to Contractor for
2 each monthly claim shall not exceed an amount determined pursuant to County policies and procedures.

3 The State and FFP funds for State approved claims for EPSDT Title XIX Medi-Cal SFC
4 units claimed by County to State on behalf of the Contractor shall be paid by County to Contractor only
5 in arrears and only after County has received State and FFP payment from State.

6 The FFP funds for State approved claims for EPSDT Title XIX Medi-Cal SFC units, and/or
7 Title XIX Short-Doyle/Medi-Cal SFC units, and/or Title XIX Medi-Cal Administrative Activities, claimed
8 by County to State on behalf of the Contractor shall be paid by County to Contractor only in arrears and
9 only after County has received FFP payment from State.

10 In order to recover CGF provided to Contractor as Cash Flow Advance pursuant to this
11 Subparagraph L, or any amounts due to County by Contractor under this Agreement or otherwise,
12 County shall withhold from any amounts due by County to Contractor under this Agreement or
13 otherwise: (1) the FFP and/or EPSDT-SGF portions of total State approved Short-Doyle/Medi-Cal
14 claims Cash Flow Advances that are in excess of a cumulative, for each month actual State approval
15 data has been received, 1/12 of the Maximum Contract Amount and/or (2) the FFP portion of Title XIX
16 Short-Doyle/Medi-Cal for State approved claims for Title XIX Short-Doyle/Medi-Cal SFC units and/or (3)
17 the State and FFP portion of EPSDT Title XIX Medi-Cal for State approved claims for EPSDT Title XIX
18 Medi-Cal SFC units and/or (4) the FFP for Title XIX Medi-Cal Administrative Activities and/or (5) the
19 County, State and Federal portions of SFC units claimed by Contractor in IS for non-Title XIX Medi-Cal.
20 Contractor may request in writing, and shall receive if requested, DMH's computations for determining
21 any amounts withheld.

22 M. Withholding of Payment for Nonsubmission of IS and Other Information: County may
23 withhold a maximum of 10 percent (10%) of any monthly claim, if any IS data, EOB data, RGMS report,
24 or other information is not submitted by Contractor to County within the time limits of submission of
25 this Agreement or if any IS data, EOB data, RGMS report, or other information is incomplete, incorrect,
26 or is not completed in accordance with the requirements of this Agreement. County shall give
27 Contractor at least 15 working days written notice of its intention to withhold payments hereunder,
28 including the reason(s) for its intended action. Thereafter, Contractor shall have 15 days either to
29 correct any deficiencies, or to request reconsideration of the decision to withhold payment. Payment to
30 Contractor shall not be withheld pending the correction of deficiencies, or if reconsideration is requested,
31 pending the results of the reconsideration process.

32 N. Annual Cost Reports:

33 (1) For each Fiscal Year or portion thereof that this Agreement is in effect,
34 Contractor shall provide DMH with two copies of an accurate and complete Annual Cost Report, with a
35 statement of expenses and revenue. The annual cost report will be comprised of a separate set of
36 forms for the County and State for the Financial Summary within each entity. Such reports will be due

1 within 75 days following either the end of such Fiscal Year or the expiration or termination date of this
2 Agreement, whichever occurs earlier. Each such Annual Cost Report shall be prepared by Contractor in
3 accordance with the requirements set forth in the Short-Doyle/Medi-Cal Automated Cost Reporting
4 System Users Manual, CR/DC Manual, RO/TCM Manual, and any other written guidelines which shall be
5 provided to Contractor by Director by June 30 of the Fiscal Year for which the Annual Cost Report is to
6 be prepared.

7 (2) If Contractor fails to submit accurate and complete Annual Cost Report(s) by
8 such due date, and if this Agreement is automatically renewed as provided in Paragraph 1 (TERM), then
9 County shall not make any further payments to Contractor under this Agreement until the accurate and
10 complete Annual Cost Report(s) is (are) submitted.

11 (3) Failure of Contractor to submit accurate and complete Annual Cost Report(s) by
12 such due date shall result in a Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the
13 accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed
14 separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the
15 seventy-sixth day following either the end of the applicable Fiscal Year or the expiration or termination
16 date of this Agreement and shall continue thereafter up to the one hundred and fifth day.

17 In the event that Contractor does not submit accurate and complete Annual Cost
18 Report(s) by the one hundred and fifth day, then all amounts covered by the outstanding Annual Cost
19 Report(s) and paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) is
20 (are) outstanding shall be due by Contractor to County. Contractor shall pay County according to the
21 method described in Subparagraph S (Payments Due to County/Method of Payment).

22 O. Annual Cost Report Adjustment and Settlement: Based on the Annual Cost Report(s)
23 submitted pursuant to Subparagraph N (Annual Cost Reports), at the end of each Fiscal Year or portion
24 thereof that this Agreement is in effect the cost of all mental health services, and Title XIX Medi-Cal
25 Administrative Activities rendered hereunder shall be adjusted as follows:

26 (1) Cost Reimbursement - to actual and allowable costs, not to exceed the
27 applicable Maximum Contract Amount as shown in Subparagraph B (Reimbursement For Initial Period) or
28 C (Reimbursement If Agreement Is Automatically Renewed), provided that reimbursement for
29 Short-Doyle/Medi-Cal funded services shall be consistent with the amounts authorized by State law and
30 State's Medicaid Plan, and reimbursement for Title XIX Medi-Cal Administrative Activities shall be
31 consistent with the amounts authorized by State law and State's Title XIX Medi-Cal Administrative
32 Activities Plan not to exceed the Maximum Contract Amount. Reimbursement for Title XIX Short-
33 Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, shall not exceed an amount
34 for which there is sufficient CGF/State match funds in the applicable Maximum Contract Amount.

35 (2) IMD - to the lower of the DMH determined final IS run of reported patient days
36 or the patient days reported in Contractor's Annual Cost Report, multiplied by the applicable SDHS's

1 currently approved Skilled Nursing Facility Rate per patient day for Basic Service plus SDHS's currently
2 approved STP Rate per patient day for STP Services.

3 (3) Negotiated Rate - to the lower of the DMH determined final IS run of reported
4 SFC units, or the SFC units reported in Contractor's Annual Cost Report, multiplied by the applicable NR
5 less all revenue, interest and return resulting from services/activities and/or funds paid by County to
6 Contractor, including, but not limited to, all Medicare, patient/client fees, private insurance, and any
7 other revenue, interest and return resulting from services/activities and/or funds paid by County to
8 Contractor as described in Subsection 7 of Subparagraph I (Patient/Client Eligibility, UMDAP Fees, Third
9 Party Revenue, and Interest), not to exceed the applicable Maximum Contract Amount as shown in
10 Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically
11 Renewed), provided that reimbursement for Title XIX Short-Doyle/Medi-Cal funded services shall be
12 consistent with the amounts authorized by State law and State's Medicaid Plan, and reimbursement for
13 Title XIX Medi-Cal Administrative Activities shall be consistent with the amounts authorized by State
14 law and State's Title XIX Medi-Cal Administrative Activities Plan not to exceed the Maximum Contract
15 Amount. Reimbursement for Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal
16 Administrative Activities, shall not exceed an amount for which there is sufficient CGF/State match
17 funds in the applicable Maximum Contract Amount. In the event that Contractor adjustments based on
18 any of the above methods indicate an amount due the County, Contractor shall pay County according to
19 the method described in Subparagraph S (Payments Due to County/Method of Payment).

20 P. Post-Contract Audit Settlement:

21 (1) In the event of a post-contract audit conducted by County, State, and/or Federal
22 personnel, actual and allowable SFC units for NR services and actual and allowable costs for cost
23 reimbursement services shall be determined for each Fiscal Year or portion thereof that this Agreement
24 is in effect. Such audit may include requests to review any fiscal, programmatic, or SFC unit concerns
25 County, State, and/or Federal auditors may have under this Agreement. CR/DC Manual, RO/TCM
26 Manual, SDMH's utilization review policies and procedures, State's Medicaid Plan, State's Title XIX
27 Medi-Cal Administrative Activities Plan, and the Federal Health Care Financing Administration's Health
28 Insurance Manual Volume 15 (HIM 15) shall serve as the basic reference and authority for the audit
29 determination of actual and allowable SFC units for mental health services and actual and allowable
30 costs for Title XIX Medi-Cal Administrative Activities and PATH and SAMHSA services. One of the
31 purposes of the audit determination of actual and allowable SFC units is to identify and adjust for
32 duplicated claims; SFC units not provided; SFC units not documented; and utilization review findings,
33 including, but not limited to, unnecessary care and the lack of appropriate licensed practitioners of the
34 healing arts.

35 (2) For mental health services, if the post-contract audit conducted by County,
36 State, and/or Federal personnel determines that the amounts paid by County to Contractor for any SFC

1 units furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the
2 difference shall be due by Contractor to County upon the State and/or Federal collection from County of
3 the amount due, or after exhausting all appeals, if any, whichever occurs first.

4 For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by
5 County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX
6 Medi-Cal Administrative Activities furnished hereunder are more than the amounts allowable pursuant to
7 this Agreement, then the difference shall be due by Contractor to County. Contractor shall pay County
8 according to the method described in Subparagraph S (Payments Due to County/Method of Payment).

9 (3) For NR and CR services, if the post-contract audit conducted by County, State,
10 and/or Federal personnel determines that the amounts paid by County to Contractor for any NR SFC
11 units furnished hereunder are less than the allowable pursuant to this Agreement and/or CR services,
12 then the difference shall be paid by County to Contractor, provided that in no event shall County's
13 Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B (Reimbursement

33 Agreement, County shall reduce services under this Agreement consistent with such imposed budgetary
34 reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall

3 THOUSAND DOLLARS (\$10,000) or more over a 12-month period with a related organization (as that
4 term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such

12 the required information.

28 entered by Contractor into IS shall be counted as delivered units of service. All units of service
29 generated during the Start-Up Period, if any, shall be entered by Contractor into IS. After the close of
30 the monthly IS time frame, no data and information relating to units of service for that month may be
31 added without the written approval of Director.

32 (3) If, after the close of the monthly IS time-frame, Contractor desires to enter any
33 data and information documenting units of services for a particular month, then Contractor shall submit
34 a request in writing setting forth the good cause reasons which prevented Contractor from timely
35 entering such particular data and information into IS. Director may, at his sole discretion, approve in
36 writing Contractor's request to enter the data and information into IS. Notwithstanding any other

3 sign a statement on a form provided by Contractor in accordance with the above code sections to the
4 effect that such person has knowledge of, and will comply with, these code sections.

13 appropriate action to fully protect all persons receiving services under this Agreement concerning, any
14 person whom Contractor knows, or reasonably suspects, has committed any acts which are inimical to
15 the health, morals, welfare, or safety of elders, dependent adults or minor children, or which otherwise
16 make it inappropriate for such person to be employed by Contractor.

17 16. NONDISCRIMINATION IN SERVICES:

18 A. Contractor shall not discriminate in the provision of services hereunder because of race,
19 religion, national origin, ancestry, sex, age, marital status, or physical or mental handicap or medical
20 conditions, in accordance with requirements of Federal and State law. For the purpose of this Paragraph
21 16, discrimination in the provision of services may include, but is not limited to, the following: denying

24 to others; subjecting any person to segregation or separate treatment in any matter related to the receipt
25 of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed
26 by others receiving any service or benefit; and treating any person differently from others in determining
27 admission, enrollment quota, eligibility, membership, or any other requirement or condition which

35 personnel. Such procedures shall also include a provision whereby any such person, who is dissatisfied
36 with Contractor's resolution of the matter, shall be referred by Contractor to Director for the purpose of

1 presenting his complaint of the alleged discrimination. Such complaint procedures shall also indicate
2 that if such person is not satisfied with County's resolution or decision with respect to the complaint of
3 alleged discrimination, such person may appeal the matter to the State, if appropriate.

4 C. If direct services (i.e., 24-hour services, day services, targeted case management,
5 mental health services, medication support, and crisis intervention) are provided hereunder, Contractor
6 shall have admission policies which are in accordance with CCR Title 9, Sections 526 and 527, and
7 which shall be in writing and available to the public. Contractor shall not employ discriminatory
8 practices in the admission of any person, assignment of accommodations, or otherwise. Any time any
9 person applies for services under this Agreement, such person shall be advised by Contractor of the
10 complaint procedures described in the above paragraph. A copy of such complaint procedures shall be
11 posted by Contractor in a conspicuous place, available and open to the public, in each of Contractor's
12 facilities where services are provided under this Agreement.

13 **17. NONDISCRIMINATION IN EMPLOYMENT:**

14 A. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries,
15 or holding companies are and will be treated equally by it without regard to, or because of, race, color,
16 religion, national origin, ancestry, sex, age, marital status, condition of physical disability (including HIV
17 and AIDS) or mental disability, medical condition (cancer), denial of family care leave, or political
18 affiliation, and in compliance with all applicable Federal and State anti-discrimination laws and

29 disability, medical condition (cancer), denial of family care leave, or political affiliation in compliance with
30 all applicable Federal and State anti-discrimination laws and regulations. Contractor shall insure that the

3 Paragraph 17 to labor organizations with which it has a collective bargaining or other agreement.

4 D. Contractor shall allow County representatives access to its employment records during
5 regular business hours to verify compliance with the provisions of this Paragraph 17 when so
6 requested by Director.

7 E. If County finds that any of the above provisions has been violated, the same shall
8 constitute a material breach of this Agreement upon which County may immediately terminate or
9 suspend this Agreement. While County reserves the right to determine independently that the
10 anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the
11 California Fair Employment Practices Commission or the Federal Equal Employment Opportunity
12 Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall
13 constitute a finding by County that Contractor has violated the anti-discrimination provisions of this
14 Agreement.

15 F. In the event that Contractor violates any of the anti-discrimination provisions of this
16 Paragraph 17, County shall be entitled, at its option, to the sum of FIVE HUNDRED DOLLARS (\$500)
17 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or
18 suspending this Agreement.

20 Fair Labor Standards Act, and shall indemnify, defend, and hold harmless County, its officers,
21 employees, and agents, from any and all liability, including, but not limited to, wages, overtime pay,
22 liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law,

29 attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions
30 arising from and/or relating to this Agreement.

31 B. General Insurance Requirements: Without limiting Contractor's indemnification of
32 County and during the term of this Agreement, Contractor shall provide and maintain, and shall require
33 all of its subcontractors to maintain, the following programs of insurance specified in this Agreement.
34 Such insurance shall be primary to and not contributing with any other insurance or self-insurance

14 The County retains the right to require Contractor to reduce or eliminate such deductibles or self-insured
15 retentions as they apply to County, or, require Contractor to provide a bond guaranteeing payment of all
16 such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to
17 investigations, claims administrations, and legal defense. Such bond shall be executed by a corporate
18 surety licensed to transact business in the State of California.

20 acceptable to the County with an A.M. Best rating of not less than A:VII, unless otherwise approved by
21 County.

22 3) Failure to Maintain Coverage: Failure by Contractor to maintain the required
23 insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material
24 breach of the contract upon which County may immediately terminate or suspend this Agreement.
25 County, at its sole option, may obtain damages from Contractor resulting from said breach.
26 Alternatively, County may purchase such required insurance coverage, and without further notice to

4 Agreement.

5 5) Compensation for County Costs: In the event that Contractor fails to comply
6 with any of the indemnification or insurance requirements of this Agreement, and such failure to comply
7 results in any costs to County, Contractor shall pay full compensation for all costs incurred by County.

8 6) Insurance Coverage Requirements for Subcontractors: Contractor shall ensure
9 any and all sub-contractors performing services under this Agreement meet the insurance requirements
10 of this Agreement by either:

11 (a) Contractor providing evidence of insurance covering the activities of
12 sub-contractors, or

13 (b) Contractor providing evidence submitted by sub-contractors evidencing

34 the County of Los Angeles that have such a service.

35 23. INDEPENDENT STATUS OF CONTRACTOR:

36 A. This Agreement is by and between County and Contractor and is not intended, and shall

1 not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or
2 association, as between County and Contractor. The employees and agents of one party shall not be, or
3 be construed to be, the employees or agents of the other party for any purpose whatsoever.

4 B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all
5 persons performing work pursuant to this Agreement all compensation and benefits. County shall have
6 no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability
7 benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel
8 provided by or on behalf of Contractor.

12 workers' compensation benefits to any person as a result of any injuries arising from or connected with
13 any services performed by or on behalf of Contractor pursuant to this Agreement.

25 reemployment list during the term of this Agreement.

27 PARTICIPANTS: Should Contractor require additional or replacement personnel after the effective date
28 of this Agreement, Contractor shall give consideration for any such employment openings to participants
29 in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN)

33 under this Agreement, or both, either in whole or in part, without the prior written consent of County,
34 and any prohibited delegation or assignment shall be null and void. Any payments by County to any
35 delegatee or assignee on any claim under this Agreement, in consequence of any such consent, shall be
36 subject to set off, recoupment, or other reduction for any claim which Contractor may have against

1 County.

2 27. SUBCONTRACTING:

3 A. No performance of this Agreement, or any portion thereof, shall be subcontracted by
4 Contractor without the prior written consent of County as provided in this Paragraph 27. Any
5 attempt by Contractor to subcontract any performance, obligation, or responsibility under this
6 Agreement, without the prior written consent of County, shall be null and void and shall constitute a
7 material breach of this Agreement. Notwithstanding any other provision of this Agreement, in the
8 event of any such breach by Contractor, this Agreement may be terminated forthwith by County.
9 Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any
10 person or entity shall acquire any rights as a third party beneficiary of this Agreement.

11 B. If Contractor desires to subcontract any portion of its performance, obligations, or
12 responsibilities under this Agreement, Contractor shall make a written request to County for written
13 approval to enter into the particular subcontract. Contractor's request to County shall include:

14 (1) The reasons for the particular subcontract.
15 (2) A detailed description of the services to be provided by the subcontract.
16 (3) Identification of the proposed subcontractor and an explanation of why and how
17 the proposed subcontractor was selected, including the degree of competition involved.

18 (4) A description of the proposed subcontract amount and manner of compensation,
19 together with Contractor's cost or price analysis thereof.

20 (5) A copy of the proposed subcontract which shall contain the following provision:
21 "This contract is a subcontract under the terms of the prime contract with the County of
22 Los Angeles and shall be subject to all of the provisions of such prime contract."

23 (6) A copy of the proposed subcontract, if in excess of \$10,000 and utilizes State
24 funds, shall also contain the following provision:

25 "The contracting parties shall be subject to the examination and audit of the Auditor
26 General for a period of three (3) years after final payment under contract (Government
27 Code, Section 8546.7)."

28 The Contractor will also be subject to the examination and audit of the State
29 Auditor General for a period of three (3) years after final payment under contract (Government Code,
30 Section 8546.7).

31 (7) Any other information and/or certifications requested by County.

32 C. County shall review Contractor's request to subcontract and shall determine, in its sole
33 discretion, whether or not to consent to such request on a case-by-case basis.

34 D. Contractor shall indemnify and hold harmless County, its officers, employees, and
35 agents, from and against any and all liability, damages, costs, and expenses, including, but not limited
36 to, defense costs and legal fees, arising from or related to Contractor's use of any subcontractor,

1 including any officers, employees, or agents of any subcontractor, in the same manner as required for
2 Contractor, its officers, employees, and agents, under this Agreement.

3 E. Notwithstanding any County consent to any subcontracting, Contractor shall remain
4 fully liable and responsible for any and all performance required of it under this Agreement, and no
5 subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not
6 be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County,
7 nor shall such approval limit in any way any of County's rights or remedies contained in this Agreement.
8 Additionally, County approval of any subcontract shall not be construed in any way to constitute the
9 determination of the allowability or appropriateness of any cost or payment under this Agreement.

10 F. In the event that County consents to any subcontracting, such consent shall be subject
11 to County's right to give prior and continuing approval of any and all subcontractor personnel providing
12 services under such subcontract. Contractor shall assure that any subcontractor personnel not approved
13 by County shall be immediately removed from the provision of any services under the particular
14 subcontract or that other action is taken as requested by County. County shall not be liable or
15 responsible in any way to Contractor, to any subcontractor, or to any officers, employees, or agents of
16 Contractor or any subcontractor, for any liability, damages, costs or expenses arising from or related to
17 County's exercise of such right.

18 G. In the event that County consents to any subcontracting, such consent shall be subject
19 to County's right to terminate, in whole or in part, any subcontract at any time upon written notice to
20 Contractor when such action is deemed by County to be in its best interest. County shall not be liable

3 the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County
4 Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are
5 inconsistent with the terms of the Ordinance.

6 A. A responsible Contractor is a Contractor who has demonstrated the attribute of
7 trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the
8 contract. It is the County's policy to conduct business only with responsible contractors.

9 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the
10 County Code, if the County acquires information concerning the performance of the Contractor on
11 this or other Agreements which indicates that the Contractor is not responsible, the County may, in
12 addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing
13 on, or being awarded, and/or performing work on County Agreements for a specified period of time
14 not to exceed 3 years, and terminate any or all existing Agreements the Contractor may have with
15 the County.

18 County or a nonprofit corporation created by the County, (2) committed an act or omission which
19 negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the
20 County, any other public entity, or a nonprofit corporation created by the County, or engaged in a
21 pattern or practice which negatively reflects on same, (3) committed an act or offense which

26 and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor
27 Hearing Board.

28 E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed
29 debarment is presented. The Contractor and/or the Contractor's representative shall be given an

32 contractor should be debarred, and, if so, the appropriate length of time of the debarment. The
33 Contractor and the Department shall be provided an opportunity to object to the tentative proposed
34 decision prior to its presentation to the Board of Supervisors.

35 F. After consideration of any objections, or if no objections are submitted, a record of
36 the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board

1 shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to

9 exclusion from participation in a Federally funded health care program; and (2) any exclusionary
10 action taken by any agency of the Federal government against Contractor or one or more staff
11 members barring it or the staff members from participation in a Federally funded health care program,
12 whether such bar is direct or indirect, or whether such bar is in whole or in part.

13 There are a variety of different reasons why an individual or entity may be excluded from
14 participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in
15 other cases the Office of Inspector General (OIG) has the discretion not to exclude.

16 The mandatory bases for exclusion include: (1) felony convictions for program related crimes,
17 including fraud or false claims, or for offenses related to the dispensing or use of controlled substances,
18 or (2) convictions related to patient abuse.

19 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or
20 financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to
21 provide access to documents or premises as required by federal health care program officials; (4)
22 conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about
23 the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to
24 practice a health care profession; (7) default on a student loan given in connection with education in a
25 health profession; (8) charging excessive amounts to a Federally funded health care program or
26 furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9)
27 paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded
28 entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities
29 which are owned and controlled by excluded individuals can also be excluded.

30 Contractor shall indemnify and hold County harmless against any and all loss or damage County
31 may suffer arising from any Federal exclusion of Contractor or its staff members from such participation
32 in a Federally funded health care program. Contractor shall provide the certification set forth in
33 Attachment VI as part of its obligation under this Paragraph 52.

34 Failure by Contractor to meet the requirements of this Paragraph 52 shall constitute a material
35 breach of Agreement upon which County may immediately terminate or suspend this Agreement.

18 for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the
19 requirements of HIPAA law and implementing regulations related to Transactions and Code Sets,

21 (including their officers, employees and agents) for its failure to comply with HIPAA.

22 D. Contractor and County understand and agree that HIPAA has imposed additional
23 requirements in regards to changes in DMH's IS.

26 technical terms, definitions and language to be used with this Agreement.

4 www.dmh.co.la.ca.us related to the services under this Agreement and the parties' HIPAA
5 obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other
6 information, and forms to assist Contractor in its performance.

7 F. Contractor understands and agrees that if it uses the services of an Agent in any
8 capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or
9 perform related activities, the Contractor shall be fully liable to DMH or for any acts, failures or
10 omissions of the Agent in providing said services as though they were the Contractor's own acts,
11 failures, or omissions.

12 G. Contractor further understands and agrees that the terms and conditions of the current
13 Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall apply to this Agreement
14 and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

15 54. COMPLIANCE WITH JURY SERVICE PROGRAM:

16 A Jury Service Program: This Agreement is subject to the provisions of the County's
17 ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections
18 2.203.010 through 2.203.090 of the Los Angeles County Code.

19 B Written Employee Jury Service Policy:

20 (1) Unless Contractor has demonstrated to the County's satisfaction either that
21 Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of
22 the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section
23 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides
24 that its Employees shall receive from the Contractor, on an annual basis, no less than five days of
25 regular pay for actual jury service. The policy may provide that Employees deposit any fees received
26 for such jury service with the Contractor or that the Contractor deduct from the Employee's regular
27 pay the fees received for jury service.

28 (2) For purposes of this Section, "Contractor" means a person, partnership,
29 corporation or other entity which has an Agreement with the County or a subcontract with a County
30 Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month
31 period under one or more County Agreements or subcontracts. "Employee" means any California
32 resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per
33 week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as
34 determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number
35 of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less
36 within a 12-month period are not considered full-time for purposes of the Jury Service Program. If

1 Contractor uses any subcontractor to perform services for the County under the Agreement, the
2 subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall
3 be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be
4 attached to the Agreement.

5 (3) If Contractor is not required to comply with the Jury Service Program when the
6 Agreement commences, Contractor shall have a continuing obligation to review the applicability of its
7 "exception status" from the Jury Service Program, and Contractor shall immediately notify County if
8 Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if
9 Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall
10 immediately implement a written policy consistent with the Jury Service Program. The County may also
11 require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the
12 County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's
13 definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

14 (4) Contractor's violation of this section of the Agreement may constitute a material breach
15 of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate
16 the Agreement and/or bar Contractor from the award of future County Agreements for a period of time
17 consistent with the seriousness of the breach.

18 55. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The
19 Contractor shall notify and provide to its employees, and shall require each subcontractor to notify
20 and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its
21 implementation in Los Angeles County, and where and how to safely surrender a baby.

22 The fact sheet is set forth in Attachment VII of this Agreement and is also available on the Internet at
23 www.babysafela.org for printing purposes.

24 56. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY
25 SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on
26 the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the
27 County's policy to encourage all County Contractors to voluntarily post the County's "Safely
28 Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The
29 Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in
30 the subcontractor's place of business. The County's Department of Children and Family Services will
31 supply the Contractor with the poster to be used.

32 57. COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM:

33 *(LANGUAGE APPLIES ONLY TO PROP A LIVING WAGE CONTRACTS)*

34 A. Living Wage Program: This Contract is subject to the provisions of the County's
35 ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the
36 Los Angeles County Code, a copy of which is attached as *Exhibit K* and incorporated by reference

1 into and made a part of this Contract.

2 B. Payment of Living Wage Rates:

3 (1) Unless the Contractor has demonstrated to the County's satisfaction either
4 that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the
5 County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section
6 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable
7 hourly living wage rate, as set forth immediately below, for the Employees' services provided to the
8 County under the Contract:

9 i. Not less than \$9.46 per hour if, in addition to the per-hour wage, the
10 Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care
11 benefits for its Employees and any dependents; or

12 ii. Not less than \$8.32 per hour if, in addition to the per-hour wage, the
13 Contractor contributes at least \$1.14 per hour towards the provision of bona fide health care benefits
14 for its Employees and any dependents. The Contractor will be deemed to have contributed \$1.14 per
15 hour towards the provision of bona fide health care benefits if the benefits are provided through the
16 County Department of Health Services Community Health Plan. If, at any time during the Contract,
17 the Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care
18 benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.

19 (2) For purposes of this Sub-paragraph, "Contractor" includes any subcontractor
20 engaged by the Contractor to perform services for the County under the Contract. If the Contractor
21 uses any subcontractor to perform services for the County under the Contract, the subcontractor
22 shall be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be
23 inserted into any such subcontract Contract and a copy of the Living Wage Program shall be attached
24 to the Contract. "Employee" means any individual who is an employee of the Contractor under the
25 laws of California, and who is providing full-time services to the Contractor, some or all of which are
26 provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per
27 week, or a lesser number of hours, if the lesser number is a recognized industry standard and is
28 approved as such by the County; however, fewer than 35 hours worked per week will not, in any
29 event, be considered full-time.

30 (3) If the Contractor is required to pay a living wage when the Contract
31 commences, the Contractor shall continue to pay a living wage for the entire term of the Contract,
32 including any option period.

33 (4) If the Contractor is not required to pay a living wage when the Contract
34 commences, the Contractor shall have a continuing obligation to review the applicability of its
35 "exemption status" from the living wage requirement. The Contractor shall immediately notify the
36 County if the Contractor at any time either comes within the Living Wage Program's definition of

1 "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In
2 either event, the Contractor shall immediately be required to commence paying the living wage and
3 shall be obligated to pay the living wage for the remaining term of the Contract, including any option
4 period. The County may also require, at any time during the Contract and at its sole discretion, that
5 the Contractor demonstrate to the County's satisfaction that the Contractor either continues to
6 remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor
7 continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies
8 this requirement within the time frame permitted by the County, the Contractor shall immediately be
9 required to pay the living wage for the remaining term of the Contract, including any option period.

10 C. Contractor's Submittal of Certified Monitoring Reports: The Contractor shall submit
11 to the County certified monitoring reports at a frequency instructed by the County. The certified
12 monitoring reports shall list all of the Contractor's Employees during the reporting period. The
13 certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid,
14 and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The
15 certified monitoring reports shall also state the name and identification number of the Contractor's
16 current health care benefits plan, and the Contractor's portion of the premiums paid as well as the
17 portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided
18 by the County (*Exhibit L and Exhibit M*), or other form approved by the County which contains the
19 above information. The County reserves the right to request any additional information it may deem
20 necessary. If the County requests additional information, the Contractor shall promptly provide such
21 information. The Contractor, through one of its officers, shall certify under penalty of perjury that the
22 information contained in each certified monitoring report is true and accurate.

23 D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims:
24 During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or
25 any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation
26 (including but not limited to any violation or claim pertaining to wages, hours and working conditions
27 such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of
28 minors, or unlawful employment discrimination), the Contractor shall immediately inform the County
29 of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not
30 limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the
31 County, but instead applies to any labor law/payroll violation or claim arising out of any of the
32 Contractor's operations in California.

33 E. County Auditing of Contractor Records: Upon a minimum of twenty-four (24) hours'
34 written notice, the County may audit, at the Contractor's place of business, any of the Contractor's
35 records pertaining to the Contract, including all documents and information relating to the certified
36 monitoring reports. The Contractor is required to maintain all such records in California until the

1 expiration of four years from the date of final payment under the Contract. Authorized agents of the
2 County shall have access to all such records during normal business hours for the entire period that
3 records are to be maintained.

4 F. Notifications to Employees: The Contractor shall place County-provided living wage
5 posters at each of the Contractor's places of business and locations where Contractor's Employees
6 are working. The Contractor shall also distribute County-provided notices to each of its Employees at
7 least once per year. The Contractor shall translate into Spanish and any other language spoken by a
8 significant number of Employees the posters and handouts.

9 G. Enforcement and Remedies: If the Contractor fails to comply with the requirements
10 of this Sub-paragraph, the County shall have the rights and remedies described in this Sub-paragraph
11 in addition to any rights and remedies provided by law or equity.

12 (1) Remedies For Submission of Late or Incomplete Certified Monitoring Reports:
13 If the Contractor submits a certified monitoring report to the County after the date it is due or if the
14 report submitted does not contain all of the required information or is inaccurate or is not properly
15 certified, any such deficiency shall constitute a breach of the Contract. In the event of any such
16 breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

17 (a) Withholding of Payment: If the Contractor fails to submit accurate,
18 complete, timely and properly certified monitoring reports, the County may withhold from payment to
19 the Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has
20 satisfied the concerns of the County, which may include required submittal of revised certified
21 monitoring reports or additional supporting documentation.

22 (b) Liquidated Damages: It is mutually understood and agreed that the
23 Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report
24 will result in damages being sustained by the County. It is also understood and agreed that the
25 nature and amount of the damages will be extremely difficult and impractical to fix; that the
26 liquidated damages set forth herein are the nearest and most exact measure of damages for such
27 breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or
28 forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is
29 deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that
30 the County may, in its sole discretion, assess against the Contractor liquidated damages in the
31 amount of \$100 per monitoring report for each day until the County has been provided with a
32 properly prepared, complete and certified monitoring report. The County may deduct any assessed
33 liquidated damages from any payments otherwise due the Contractor.

34 (c) Termination: The Contractor's continued failure to submit accurate,
35 complete, timely and properly certified monitoring reports may constitute a material breach of the
36 Contract. In the event of such material breach, the County may, in its sole discretion, terminate

1 the Contract.

2 (2) Remedies for Payment of Less Than the Required Living Wage: If the
3 Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency
4 shall constitute a breach of the Contract. In the event of any such breach, the County may, in its
5 sole discretion, exercise any or all of the following rights/remedies:

6 (a) Withholding Payment: If the Contractor fails to pay one or more of its
7 Employees at least the applicable hourly living wage rate, the County may withhold from any
8 payment otherwise due the Contractor the aggregate difference between the living wage amounts the
9 Contractor was required to pay its Employees for a given pay period and the amount actually paid to
10 the employees for that pay period. The County may withhold said amount until the Contractor has
11 satisfied the County that any underpayment has been cured, which may include required submittal of
12 revised certified monitoring reports or additional supporting documentation.

13 (b) Liquidated Damages: It is mutually understood and agreed that the
14 Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will
15 result in damages being sustained by the County. It is also understood and agreed that the nature
16 and amount of the damages will be extremely difficult and impractical to fix; that the liquidated
17 damages set forth herein are the nearest and most exact measure of damages for such breach that
18 can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture
19 for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess
20 against the Contractor liquidated damages of \$50 per Employee per day for each and every instance
21 of an underpayment to an Employee. The County may deduct any assessed liquidated damages from
22 any payments otherwise due the Contractor.

23 (c) Termination: The Contractor's continued failure to pay any of its
24 Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In
25 the event of such material breach, the County may, in its sole discretion, terminate the Contract.

26 (3) Debarment: In the event the Contractor breaches a requirement of this Sub-
27 paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County
28 contracts for a period of time consistent with the seriousness of the breach, not to exceed three
29 years.

30 H. Use of Full-Time Employees: The Contractor shall assign and use full-time Employees
31 of the Contractor to provide services under the Contract unless the Contractor can demonstrate to
32 the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing
33 efficiency or County requirements for the work to be performed under the Contract. It is understood
34 and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for
35 services provided under the Contract unless and until the County has provided written authorization
36 for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan.

1 If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately
2 provide a copy of the new staffing plan to the County.

3 I. Contractor Retaliation Prohibited: The Contractor and/or its Employees shall not take
4 any adverse action which would result in the loss of any benefit of employment, any contract benefit,
5 or any statutory benefit for any Employee, person or entity who has reported a violation of the Living
6 Wage Program to the County or to any other public or private agency, entity or person. A violation of
7 the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event
8 of such material breach, the County may, in its sole discretion, terminate the Contract.

9 J. Contractor Standards: During the term of the Contract, the Contractor shall maintain
10 business stability, integrity in employee relations and the financial ability to pay a living wage to its
11 employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction
12 of the County that the Contractor is complying with this requirement.

13 K. Employee Retention Rights:

14 *(Note: This Sub-paragraph applies only if the contract involves the provision of*
15 *services that were previously provided by a Contractor under a predecessor Proposition A contract or*
16 *a predecessor cafeteria services contract, which predecessor contract was terminated by the County*
17 *prior to its expiration.)*

18 (1) Contractor shall offer employment to all retention employees who are qualified
19 for such jobs. A "retention employee" is an individual:

20 (a) Who is not an exempt employee under the minimum wage and
21 maximum hour exemptions defined in the federal Fair Labor Standards Act; and

22 (b) Who has been employed by a Contractor under a predecessor
23 Proposition A contract or a predecessor cafeteria services contract with the County for at least six
24 months prior to the date of this new Contract, which predecessor contract was terminated by the
25 County prior to its expiration; and

26 (c) Who is or will be terminated from his or her employment as a result of
27 the County entering into this new contract.

28 (2) Contractor is not required to hire a retention employee who:

29 (a) Has been convicted of a crime related to the job or his or her
30 performance; or

31 (b) Fails to meet any other County requirement for employees of a
32 Contractor.

33 (3) Contractor shall not terminate a retention employee for the first 90 days of
34 employment under the contract, except for cause. Thereafter, Contractor may retain a retention
35 employee on the same terms and conditions as Contractor's other employees.

36 L. Neutrality in Labor Relations: The Contractor shall not use any consideration received

1 under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on
2 behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure
3 made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations
4 incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted
5 under the provisions of the National Labor Relations Act.

6 58. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall
7 be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified
8 mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the
9 persons named. Director shall have the authority to execute all notices or demands which are required

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
